CALL FOR PAPERS

2020 The 4th International Conference on Mechanical, System and Control Engineering (ICMSC 2020) will be held in Kazan, Russian Federation during June 20-23, 2020.

Mechanics might be considered among the first activities in the history of mankind. Industry strongly needs new technologies in order to produce the innovative products with high level of consumer properties.

TOPICS Include But Not Limited

- Compressible flows
- Fuels and combustion
- Dynamics and vibration
- Non-destructive evaluation
- Instrumentation and control
- Acoustics and noise control
- Internal combustion engines
- Composite and smart materials
- Mechanical power engineering
- Body and chassis development
- Cloud Computing and Services
- Machinery and machine design
- Material science and processing
- Mechatronics and mechanical design
- Energy engineering and management
- Automation, mechatronics and robotics
- Manufacturing and life cycle engineering
- Manufacturing and production processes
- Automobiles and automotive engineering
- Computational mechanics and techniques
- Engineering materials fatigue and fracture
- Biomechanics and biomedical engineering
- Control systems and mechanical engineering
- Fluid dynamics, fluid mechanics and machinery

Conference Proceedings IOP Publishing

Accepted and delivered full papers of ICMSC 2020 will be published by IOP, Journal of Physics: Conference Series (JPCS), which is indexed in **Scopus**, as well as **El Compendex**.

History

ICMSC 2018 | Moscow, Russia | June 21st-23rd, 2018

Proceedings [online](#) and indexed by **Scopus and El Compendex**

ICMSC 2017 | St. Petersburg, Russia | May 19th-21th, 2017

Proceedings [online](#) and indexed by **Scopus and El Compendex**

Important Dates

Submission deadline: **April 10th, 2020**

Notification to authors: April 30th, 2020

Registration deadline May 20th, 2020

Workshop: April 30th, 2020

Online Submission System ([Click](#))

Full Paper Template: [JPCS style](#)
